

March 2015

Dear Parent/Carer

At one of the recent Parent Consultation Meetings parents asked if it would be helpful for them to write to local politicians and the local Member of Parliament in order to put the case for the release of capital for a new building in the secondary phase of education in the north of Shrewsbury.

Clearly I have already put the case to the local MP and indeed to the Secretary of State Education for capital to support the building of a new secondary school in the north of the town.

However, it would be fantastic if parents could write to Daniel Kawczynski at [mail@daniel4shrewsbury.co.uk](mailto:mail@daniel4shrewsbury.co.uk) and also to Keith Barrow, Shropshire Council at [keith.barrow@shropshire.gov.uk](mailto:keith.barrow@shropshire.gov.uk) to put the case forward for capital investment for a new school replacing the existing Sundorne School & Sports College and The Grange School.

Yours faithfully
